JUNIOR PROGRAMS START BACK IN MARCH

Junior programs are only a month away!

We are happy to announce that we will be teaming up with Operation 36 this year to help with our Junior Golf Programming! Operation 36 is a fun and structured way of learning golf. The premise is for a player to shoot par (36) starting at 25 yards, then graduating to longer distances. There will be fun activities to cultivate learning as well as an app juniors and parents can download to monitor and log practice and performance.

FEBRUARY IS GRIP MONTH

All February long we will be running grip installations at \$2 per club. Just stop in the shop, pick out the grips you want and let us handle the rest!

CONGRATS TO BEN SNOW!

We would like to extend our congratulations to Canebrake's own, Ben Snow, for being named 2019 Mississippi Golf Association Player of the Year!

Ben earned this prestigious award with a 2nd place finish at the Mississippi State Am, 2nd place at the Mississippi Mid Am, and 2nd place finish with teammate Steve Yelverton at the Mississippi Four Ball Championship. Great playing Ben and well deserved!
