After School Care Camp

The After School Care Camp at Tampa Palms Golf and Country Club is a fun and enriching program open to children in elementary school. The camp will run throughout the school year, and will be located at the Tennis and Athletic Center. Children attending Tampa Palms Elementary School will be picked up by a counselor and walked over to the club.

All other students can arrange for after school drop off at the club.

Camp Activities

Campers will begin the afternoon with a snack and quiet time where they will complete homework and read or play a quiet game. Campers will then participate in organized games at our outdoor play area, tennis, crafts and indoor activities in our great Kids Club facility.

Extra Curricular Activities

TPC&CC offers instructional programs such as Karate, Tennis, Swim Team and Golf that you can enroll your child in while they are here with the After Care program. These programs have an additional fee, and campers will be escorted to and from activities by their counselors. If you are interested in any of the above activities, please let us know!

Camp Schedule

1:55pm-5:00pm regular hours

1:55pm-6:30pm extended hours

Campers will be picked up at 12:55pm on early release days (Mondays) and Day Camps will be offered to after school campers on "no school" days (for an additional fee).
