Sea Smoke Cellars - Santa Rita Hills

All of Sea Smoke's grapes come from a rugged, foggy (or "sea smoky") vineyard in the Santa Rita Hills region of Santa Barbara County. Sea Smoke's estate vineyard is located in the Northern Hemisphere's southernmost - and sunniest - Region 1 microclimate. This unique combination of sun, fog, soil and meticulous farming results in wines that are lush, elegant and expressive. **These wines are highly allocated and short in supply!! Enjoy while they last.**

Averaen - Willamette Valley

Winemaker Adam Smith is quickly becoming one of Oregon's most celebrated young winemakers. Adam moved to Oregon in 2010 after getting his start as principal winemaker of Banshee Cellars in the Sonoma Coast. Before starting Averaen in the Willamette Valley, Adam sat at the helm of the distinguished Shea Cellars, Domaine Serene, and created all three vintages of the highly desirable new project from Meo-Camuzet.

Bergstrom - Willamette Valley

To the Bergström family, each wine is a "snapshot" — an expression of the grape, terroir, and vintage that cannot be exactly replicated. Thus, it is essential to start with purity and quality in the vineyards, hence the winery's dedication to biodynamic practices in the production of their vineyard-specific pinot noirs. Now in their 20th year, Bergstrom wines have come to be the yard stick for quality among an already world-class AVA.

BOND Estates

Sourced from select hillside estates, the Cabernet Sauvignon wines of BOND superbly demonstrate the range of Napa Valley's top terroirs. Having worked with more than eighty vineyards over the past quarter century, the founder Bill Harlan (Harlan Estate) slowly and vigilantly selected five vineyard sites that embodied the 'Grand Crus' of Napa Valley. These highly allocated wines possess a pedigree all to themselves. **

Chateau Musar - Bekaa Valley, Lebanon

Château Musar was established by Gaston Hochar in 1930 and is without doubt Lebanon's top wine estate. Few properties have consistently produced such high quality wines in the face of adversity and warfare and it is a testament to the sheer will and determination of the Hochars that wine has been produced every single year, bar 1976 and 1984. The wines are extremely long-lived, with the best examples lasting for 20-30 years.
