Tournament play, round robin events and competitive matches, including ALTA and USTA, take place on 16 professionally groomed courts. The Manor Tennis Complex features hard surface, clay courts, four indoor courts and a fully stocked tennis pro shop. No other club in the region has what The Manor offers.

At The Manor, tennis players are offered the most advance training programs to develop and improve their individual style of play. Our program offers two 10 week sessions from August to May. Also, our academy offers home school training during the daytime. To schedule your child's free assessment, please contact the Director of Tennis, Alejandro Garcia, or Head Pro, Javier Blanco.
