

Dress Code: It is expected that Members will choose to dress in a fashion befitting the surroundings and atmosphere provided in the setting of the Club and will advise their guests accordingly. Management reserves the right to deny members access to the club when not dressed in good taste. When accepting reservations for dining, it will be incumbent upon the club to inform the member of the Dining Standards for the available dining venues, assuring the member understands the dress requirement for each option. The member can then choose the venue appropriate to their needs.
