CLUB CONNECTION

WELCOME NEW MEMBERS

First, a warm welcome to our newest members:

Jeff & Lynn Davison
Kent Sutherland & Brenda Carns
Doug & Kim Schwartz
Jean & Mike Martin
Jon Jackson
Mark & Shannon Moore

We're thrilled to welcome you to the Fort Collins Country Club family!

As I think about membership in 2018, the word that comes to mind is value. First, we will assess our value in the marketplace as we continue to grow and seek new members. The amenities we offer are unmatched in the region, from the best conditioned golf course in

Northern Colorado to a premier indoor tennis facility to junior programs in swim, golf, and tennis to a social calendar for all ages. While we must remain competitive, our value proposition must also represent confidence in the products we offer and spark pride in new members that join our Club family.

Second, we will strive to increase the value that you, as members, experience. Chef John and his team are making remarkable strides in our culinary offerings. We are also looking forward to introducing some new member events to accompany our Club traditions and hope to see major growth in participation. We will continue to brainstorm new ways to increase the value of your membership

from business networking opportunities to trade shows and exhibitions to a variety of speaker/education series.

Of course, the most important voice in this value proposition is you! If you have ideas for specials, events, activities, or amenities that would bring more value to your membership, please share them with me. You are welcome to send me an email (heidi@fcgolf.org) or call (970.482.1336) any time. I always enjoy visiting with our members!

Happy New Year!

A MESSAGE FROM YOUR CHEF

It's the new year and we are off to a fresh start with new menus for Whitaker's and Spike's Place. Our focus is on product quality, freshness, and *à la minute* execution, meaning our products are always made fresh to order. Perfect *à la minute* execution is what separates the great kitchens from the mediocre and I pride myself on training my staff daily with this goal in mind.

As you may know from past newsletters, our chicken in Whitaker's is all-natural Red Bird chicken, our beef is all-natural from Harris Ranch, and our salmon hails from Scotland, leaving the London airport just a day before we receive it here in Fort Collins. I have several hog farms lined up for 2018, including John Long Pork from Boulder County, which is the same farm that services iconic eateries such as Frasca Food & Wine and SALT the Bistro. For our vegetarians, we will now offer fresh, new menu items that will change with the markets and seasons. Finally, we will be participating in the Colorado Proud produce program through our distributors, meaning if we order an item that can be Colorado-grown, we will always receive the local product.

Thank you all so much for your kind words and support over the past few months. I hope to see you soon around the Club or at one of our upcoming wine dinners.

Sincerely,

Chef John Percarpio

INTRODUCING TONY SMITH

Tony Smith, our new Food & Beverage Service Director, has a long and diversified career in hospitality management. He was most recently the General Manager of the E3 Chophouse in Steamboat Springs, an all-natural, ranch-to-table concept. Prior to E3, Tony served at the Glenmoor Country Club in Cherry Hills, was the General Manager of Gabriel's Restaurant in Sedalia, and the long-time General Manager of Soapy Smith's Eagle Bar on Larimer Square in Denver. He brings a great appreciation for hospitality and the dedicated people who make great experiences happen for others. Tony is a devotee to the culinary arts, fine wines and cold beer, and, most of all, a high level of service.

Originally from Washington D.C., Tony first moved to Colorado in 1981 after professional stops in Southern California. He has been married for 31 years and has three grown-up sons, all of whom live in Fort Collins. In his spare time, Tony enjoys spending time outdoors taking advantage of all the sporting activities this great state has to offer.

Welcome, Tony!

MESSAGE FROM THE GENERAL MANAGER

I am looking forward to 2018. Financially, 2017 was a difficult year for Fort Collins Country Club, but that challenge helped the Board of Directors and the management team take a hard look at our operations and prepare the Club for long-term financial sustainability. The first quarter of this year is the first time in a while that our Club has strong managers in every position, particularly in our Food & Beverage operation. Strong leadership is the key to long-term success and we are positioned well.

I want to thank Rob Gray, Kris Laine, and Chris Heinze for their support while serving on the Board of Directors and various committees. Their terms are coming to an end in 2018 and their years of leadership are much appreciated. They have been instrumental in helping guide us through this period of transition and setting us up for a strong future.

With the addition of two new reformers, our Pilates program is expanding and offering larger classes and more opportunities for individual sessions. Pilates improves flexibility, builds strength, and develops control and endurance in the entire body. It emphasizes alignment, breathe, development of a strong core, and improvement in coordination and balance. If you have not tried Pilates yet, I recommend contacting Katie Cowart at katie@fcgolf.org to find out more and set up an introductory session.

There are a variety of ways to take advantage of all the amenities your Membership offers. A Golf Member has access to all the facilities and amenities we have to offer. Sports Members not only have access to the pool as well as tennis, fitness, and dining facilities, but they can also participate in the range program, take golf lessons, and participate in clinics. Social Members get to enjoy our dining facilities and social events as well as take lessons and participate in personal training and Pilates. And, of course, all Members have access to our Golf Shop merchandise.

I wish you a happy and successful 2018!
