Definitions:

First Come First serve courts (FCFS)– These are courts are available at any time that are not league play or otherwise designated on the calendar. The maximum time courts may be played on is 1 hour when other Members are interested in playing and no other courts are available.

Open Play – Tennis available for anyone in designated group (Women, Men, Mixed) to play. There is 1 court reserved for these times. If other courts are not in use, the open play group may use these courts in accordance with the FCFS guidelines.

Private Group – Group that arrives first in FCFS that will be allowed to play in a closed session with Players of their choosing. This is a closed group that is not required to allow anyone else to play. The time limit for these groups are **1-hour** when other Members are interested in playing on the court and no other courts are available.

Mixed play – Play that is for both men and women.
