Welcome Summer 2019!

WE CAN'T BELIEVE that it is already time to start planning for summer activities! Whether you and your family are just getting to know us or are returning for yet another summer of fun and excitement, we welcome you to our 2019 Summer Youth Activities!

Summer is around the corner, so it is time to figure out what activities the kids are going to want to do this summer. We are committed to providing your family with a superior summer experience and we are so excited to spend the summer of 2019 with your children through all departments of The Clubs of Kingwood. We have spent a lot of time preparing for the summer and are counting down the days until it all begins!

We have programs for kids as young as five to those going into their last year of high school. Please register for activities at your earliest convenience as many activities have limited space and typically fill up quickly!

If you have any questions regarding our programming, please don’t hesitate to contact our team by email or phone. Please see contact information on the back cover.

We thank you for enrolling your children in our activities and camps. You will discover that your child’s summer with us will be a summer of fun, development and excitement that will be remembered for years to come.
