

Resident Usage Privileges at Piedmont Club

Piedmont Club, in connection with the Piedmont HOA, has an established set of guidelines through its Bylaws regarding Resident Usage of club facilities. Residents who wish to have access to the club must first register for Residents Rights with the club Membership Office. Once Residents Rights are activated, the following access is available. This is a one-time \$175 application fee.

Golf: Residents may book up to 2 tee times per month at full golf rates of \$125 a round. Tee times are required.

Dining: Residents may use Club dining facilities on an advance reservation basis. The bar and outdoor patio area are not available for reservations.

Please note that appropriate attire is required for both golf and dining. You may direct any questions to the Piedmont Club General Manager, Mark Wesolek at 703-753-5922 x2203.
